FERRIS IS CLEARED BY GREENWOOD JURY

GREENWOOD, Miss., Dec. 2. (Sp.)—C. A. Ferris, charged with criminal assault, who was on trial the latter part of the week in circuit court here, is today a free man. A jury of 12 men, after hearing the evidence introduced by the state and that offered by the defense, returned a verdict of acquittal. That there was no question in the minds of the 12 men as to his innocence was proven when three minutes after the case had been turned over to them they returned to the court room with their verdict of not guilty. The case against Mr. Ferris, charged with the same offense, who was jointly indicted with Ferris, was not pressed immediately after the verdict in the Ferris case on motion of the district attorney.

YAZOO CITY, Miss., Dec. 2.
